There was no old business.

Old Business

A. The Virginia Polygraph Association will be attempting to have the following proposed legislation introduced in the next session of the General Assembly:

New Business

Recognizing the development of new technologies that may evolve in the field of detection of deception, the proposed changes are offered to ensure that any such mechanical or electronic instrument or device used to test or question individuals for the purpose of determining their truthfulness be scientifically sound and balance with regard to the needs of law enforcement and to safeguard the public.

**Virginia Polygraph
Association
Proposed
Legislative
Amendment**

This legislation is designed to more accurately define some polygraph equipment and make it mandatory to have a license to use virtually any truth detection devices.

B. Eric Olson updated the Board on regulation review that will include notifying the public of changes. After discussion and a motion by Ms. Baum and seconded by Dr. Levin, that the Board

Regulatory Review

commence the regulatory review process. The Board unanimously approved notifying the public of regulatory changes. Members voting "Yes" were: Holzbach, Levin, McDowell, Ory and Patterson.

Travel vouchers and conflict of interest forms were completed by all the Board members present.

**Completion of
Paperwork**

Sgt. Ory made a motion to adjourn the meeting at 1:45 p.m. Dr. Levin seconded the motion, which was approved unanimously. Members voting "Yes" were: Holzbach, Levin, McDowell, Ory and Patterson.
